Dear Friends,

On behalf of Summit County Children Services and the many children and families we serve, allow me to express my sincere thanks for your recent donation of 2 book bags, art box, and school supplies for our 2012 School Supplies Program. Thanks to your generosity, we will be able to provide nearly 1,000 children in our care with new school supplies in a new backpack through this program.

Each and every day, Summit County Children Services is committed to building families and building futures. However, as you may know, many programs our agency offers simply would not exist without charitable contributions. It is only through the generosity of donors such as you that we are able to provide these important programs throughout the year.

Again, please accept my deep appreciation for this most thoughtful and generous donation.

Sincerely,

John Saros
Executive Director
